The City of Cape Town is continuing with the construction of new and upgraded transport infrastructure on Govan Mbeki/Japhta K. Masemola Road.

What to expect

- The single lane serving traffic towards Khayelitsha will be closed to accommodate construction between Morning Star Drive and the Nolungile train station.
- A temporary lane has been constructed to accommodate traffic in both directions toward Cape Town and Khayelitsha, with one lane open in each direction.
- Dates may change due to unforeseen circumstances.

Motorists, pedestrians and cyclists are advised to plan ahead and allow extra travel time.
