

MyCiTi comes to Dunoon

On Saturday, 1 March, MyCiTi will launch a service to Dunoon that will connect with the existing route to the Table View MyCiTi station and the central city.

This extension of the main route (T01) along Blaauwberg Road means that residents of Dunoon can now travel directly to Table View, or continue to the Civic Centre station in central Cape Town. It also provides convenient connections to Blouberg, Parklands, Melkbosstrand, Century City and Montague Gardens via Racecourse Road. Passengers travelling to these areas will need to change buses at the Table View or Wood MyCiTi stations.

The launch of this service includes the opening of five new stations along the route. They are Circle East, Potsdam, Killarney, Dunoon and Usasaza. It also includes a new, safe pedestrian and cycle route in Dunoon. This

travels along Potsdam and Blaauwberg roads to the Table View station, where there is a connecting pedestrian and cycle route to the central city and further up the West Coast.

Construction work is continuing on the new phase of the service to Dunoon, which will travel along Koeberg Road on a more direct route to Montague Gardens and Century City.

"We are delighted to be able to extend the popular MyCiTi service to the Dunoon area," says Councillor Brett Herron, Mayoral Committee Member: Transport for Cape Town. "This completes another major part of the system on the West Coast. We urge everyone to get a **myconnect** card so they can enjoy the MyCiTi service."

MyCiTi will reach many more people as services expand to the Dunoon area.

New sidewalks for walking and cycling make it safer for residents.

Withdrawal of minibus taxis

Minibus taxi passengers in Dunoon should note that from 1 March 2014, 62 minibus taxis between Dunoon and the Table View, Parklands and Melkbosstrand suburbs will be removed. These passengers need to get a **myconnect** card and load it with enough money for their trips. Minibus taxis servicing other areas and Golden Arrow bus services will continue to operate in and around the Dunoon area.

Get your **myconnect** card

Everyone four years and older needs their own **myconnect** card loaded with money for their trips. Load any amount of money and pay the Standard fare, or load Mover points and save at least 20% on fares at all times.

For a limited time, anyone can buy 30 Mover points and get a free **myconnect** card. You only pay R30 and save on the usual R25 card cost. Visit the Dunoon MyCiTi station from 28 February with R30 in cash and proof of identity (ID book, passport, driver's licence or birth certificate).

A trip between Dunoon and the city centre costs R9.80 with Mover points during peak times (06:30 - 08:30 and 16:00 - 18:00 on weekdays). At all other times the cost will be R8.00. The same trip on a Standard fare will cost R12.70 during peak times and R10.50 at all other times.

Mover packages are available from MyCiTi station kiosks in the following amounts: R80, R100, R150, R200, R400, R600 or R1 000. Mover points are valid for three years.

Remember to tap in by holding your card against the validator when you start your trip and tap out by doing the same at the end of your trip to avoid penalties.
