

Your **MYCITI** **GUIDE**

Valid from September 2019

WELCOME ABOARD

This booklet is your essential guide to where MyCiTi goes and how to use the system. Once you have a **myconnect** card you can load it with money and fare products in a variety of ways – at selected MyCiTi stations, participating retailers and Absa cash-accepting ATMs.

Note that the MyCiTi service is a dynamic one that changes regularly to meet passenger demand most efficiently. For exact bus times, visit our website, www.myciti.org.za, which has a handy trip planner and fare calculator, or contact our 24-hour call centre free from landlines and mobile phones on 0800 65 64 63.

PAY AS YOU GO FARE SYSTEM

Fares are based on the distance in kilometres travelled, grouped into distance bands, and on the time of day you start your journey.

Each fare is calculated from where you tap in when first entering a station or boarding a bus at a stop to where you tap out when leaving a station or exiting a bus at a stop. When you first tap in a boarding fare is charged. When you tap out the system calculates the distance travelled and deducts the remainder of the fare, if any.

Peak Fare Period:
Weekdays only
06:45 to 08:00
16:15 to 17:30

Travel outside the Peak fare period and save

Fares are higher if you start your journey in the Peak fare period – 06:45 to 08:00 and 16:15 to 17:30 on weekdays only. Start your journey outside these hours – or any time on weekends and public holidays – and you will pay Saver fares.

Free Transfers – changing buses

MyCiTi is a network, with opportunities to transfer between routes at stations and stops.

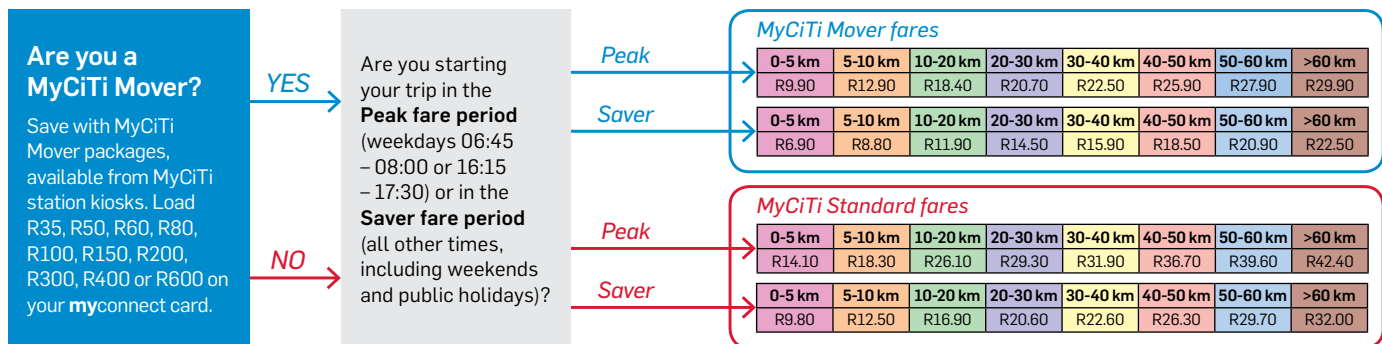

- You can make a transfer, or break your journey, and pay only one fare for the total distance, as long as you tap out and then tap in again to continue your journey within 45 minutes.
- You can make multiple free transfers provided each tap-in is within 2.5 hours of your first tap-in.
- Transfer at a station without tapping.
- Free transfers do not apply to return journeys.

HOW TO CALCULATE YOUR FARE

For journeys linking with the Airport station, add R54.60 (Standard) or R39 (Mover).

USING MYCONNECT

MyCiTi is a card-based system. Every passenger needs their own **myconnect** card loaded with money to travel, except for children under four years old and one metre tall, who travel free.

Get your card

Get your **myconnect** card for R35 from selected station kiosks or participating retailers (call 0800 65 64 63 or see www.myciti.org.za).

Load money on your card

Load any amount with Standard, or save with Mover and discounted multi-day travel packages. See below.

SINGLE-TRIP CARDS

Once-off users can get a single-trip card from stations for R30, or R85 for journeys including the Airport. These are valid for one journey anywhere on the system, including transfers within a 45-minute window.

Using your card

Tap in to start your trip

Tap in by holding your card against the validator as you enter a station or board a bus at a stop.

Tap out to end your trip

Tap out by holding your card against the validator as you leave a station or exit a bus at a stop.

Don't pay a penalty

Make sure you use a validator correctly. You will be charged a penalty if:

- If you don't have enough money for your trip
- If you forget to tap in and tap out
- If you tap the wrong validator

The penalty for the first 2 times is R15, thereafter the penalty is R30, but R99 at the Airport.

EXPRESS SERVICES

Some buses on main routes operate as express services, ensuring a quicker ride for passengers, by only stopping at busy stations along the route. Look out for T01X and T02X buses.

SHORTER ROUTES

Small letters after some route codes such as T02a and T03a indicate that the bus is only travelling part of its full route. Lookout for the destination name to see if it's going where you need to be.
