

MYCITI PHASE 2A CONSTRUCTION

GOVAN MBEKI ROAD, PHILIPPI

Construction is progressing in the Philippi area along Govan Mbeki Road, from the level railway crossing (approximately 200m from Klipfontein Road) to the R300 bridge, in preparation for the next phase of the City of Cape Town's bus service.

Join us at a public information day to find out more about:

- Progress with construction
- How to register as a jobseeker on the City's Jobseeker Database
- How to register for sub-contracting business opportunities

Unemployed residents who are interested in local labour opportunities must register on the City's jobseeker database at their local subcouncil office or at an upcoming MyCiTi public information day. Please remember that an ID copy and proof of address will be needed to register. Local enterprises interested in providing goods or services must register on the supplier database at their local subcouncil.
