

# MYCITI PHASE 2A CONSTRUCTION GOVAN MBEKI ROAD, PHILIPPI

Construction will soon commence along Govan Mbeki Road, from NY72 Road to the Klipfontein Road intersection, in preparation for the next phase of the MyCiTi bus service.

Roadworks will be limited to weekdays during off-peak times in order to limit disruptions to residents and road users. Work may be required outside these hours in exceptional circumstances, and residents will be notified in advance.

The work will impact on traffic and motorists are urged to factor in extra travel time and to consider public transport, ride-sharing and lift club options.

The City realises the inconvenience involved and appreciates the patience of everyone affected.

## Join us at a public information day to find out more about:

- Construction progress
- How to register as a jobseeker on the City's Jobseeker Database
- How to register for sub-contracting business opportunities

Unemployed residents who are interested in local labour opportunities must register on the City's jobseeker database at their local subcouncil office or at an upcoming MyCiTi public information day. Please remember that an ID copy and proof of address will be needed to register. Local enterprises interested in providing goods or services must register on the supplier database at their local subcouncil.

**Date:** Wednesday 26 February 2025

**Time:** 15:00 - 17:00

**Venue:** Crossroads Community Hall, 43a Gwayi Road, Nyanga

**Date:** Tuesday 4 March 2025
