## MYCITI PHASE 2A CONSTRUCTION

### GUGULETHU

Construction is underway along Govan Mbeki Road, from Ottery Road to NY72 Road, as part of the next phase of the City of Cape Town's MyCiTi bus service.

The project includes upgrading 2.4 km of Govan Mbeki Road with dedicated MyCiTi lanes, constructing an open station near the Vygekraal Road intersection, and widening bridge support structures at the Jakes Gerwel Drive intersection.

Roadworks are being carried out in phases and restricted to weekdays between 09:00 and 15:00 to minimize peak-hour disruptions.
