CONSTRUCTION UPDATE

GUGULETHU

The City of Cape Town is making steady progress with transport infrastructure upgrades along Govan Mbeki Road, between NY72 and Ottery Road.

Roadworks are being carried out in phases, with traffic management in place to reduce disruption. Join our public information day to find out more about:

- An update on progress and timelines
- How to register for subcontracting opportunities
- How to register on the City's Jobseeker Database
- Jobseekers must bring a valid ID or certified copy, as well as proof of address (such as a utility bill)
