

PUBLIC INFORMATION DAY

CONSTRUCTION UPDATE

GOVAN MBEKI ROAD, KHAYELITSHA

The City of Cape Town is making steady progress on transport infrastructure upgrades along Govan Mbeki Road, between Japhta K Masemola Road and Indwe Street. Temporary traffic lane shifts and detours are in place to keep vehicles moving safely while construction continues.

We invite residents, businesses and road users to join a public information day to learn more about the work underway and speak directly with the project team.

Join a public information day to find out more about:

- An update on progress and timelines
- How to register for subcontracting opportunities
- How to register on the City's Jobseeker Database
- Jobseekers must bring a valid ID or certified copy, as well as proof of address (such as a utility bill)
