WETTON ROAD

WYNBERG

The construction team working on Wetton Road in Wynberg is required to undertake after-hours work between 15 and 18 September 2025 on Rosmead Avenue and the Wetton Road intersection.

The work will take place each night from 19:00 to 05:00 and construction related noise can be expected.

This will require temporary traffic flow changes and road users are requested to abide by the temporary signage provided. During this time, one lane will be open in both directions.

This work forms part of ongoing road improvements in the vicinity of Wetton Road in preparation for a future MyCiTi bus facility.

Your patience and understanding are appreciated.
