

CONSTRUCTION NOTICE

BUS-STAGING FACILITY, WYNBERG

The construction of a bus-staging facility off Wetton Road to serve future MyCiTi bus services is planned from late February 2026 until March 2027.

The new facility will accommodate buses between the morning and evening peak periods when the next phase of MyCiTi starts operating.

Phase 2A will connect Khayelitsha and Mitchells Plain with Claremont and Wynberg and provide direct, quality, safe and affordable MyCiTi services.

Work was recently completed on the widening of a portion of Wetton Road to provide exclusive left- and right-turning lanes into the planned bus-staging facility.

The planned work includes:

- Construction of the bus-staging facility
- Construction and road surfacing on the premises
- Electrical works
- Landscaping
- Fencing

There is no anticipated impact on traffic in the vicinity of the works, and access to the neighbouring Bonnytoun informal settlement will be maintained at all times.
