

# CONSTRUCTION UPDATE

## TEMPORARY ROAD CLOSURE

### LANSDOWNE

The public are advised of the temporary closure of Prince Arthur Road in the Lansdowne area for approximately one month to accommodate essential underground service installations.

#### What you need to know:

- There will be no direct access to Prince Arthur Road from Racecourse Road
- A detour will be in place via Civic, Imam Haron, Cross Cut and Leafmore Roads
- Access for residents in Prince Arthur Road will be maintained

Road users are urged to factor in additional travel time, approach the area with caution and follow the temporary signs and guidance from flag personnel.

Thank you for your patience and co-operation.
