

PUBLIC NOTICE

TEMPORARY LANE CLOSURES

MEW WAY

The City of Cape Town is progressing with the construction and upgrade of transport infrastructure along Govan Mbeki Road, which includes a section of Mew Way.

To facilitate road rehabilitation works on Mew Way—between the intersection with Japhta K. Masemola Road and the N2 bridge—lane closures will be in effect from 30 October to 25 November 2025.

What to expect from 30 October 2025

- Only one lane in each direction along Mew Way will be open to serve traffic travelling to, and from the N2 Highway.
- The disruption to the flow of traffic is estimated to last for 4 weeks.

There will be no full road closures, but delays are expected, and motorists are advised to plan ahead and allow for extra travel time.
