

CONSTRUCTION NOTICE

TEMPORARY LANE CLOSURE

AZ BERMAN DRIVE, MITCHELLS PLAIN

The City of Cape Town will implement temporary lane closures along AZ Berman Drive, near Marguerite Street, to allow for infrastructure upgrades. This temporary lane closure is necessary to safely complete roadworks along the northbound lanes heading towards Cape Town.

The changes will start from **9 March 2026** and will continue for approximately three months, subject to weather and other unforeseen delays.

Temporary lane closure

Marguerite Street and Highlands Drive - March 2026 to May 2026.

- Two northbound lanes (towards Cape Town) will be reduced to one lane for approximately 200 metres between Marguerite Street and Highlands Drive.
- Traffic travelling north will use a single lane through the construction area.
- Clear signage and road markings will guide motorists safely through the construction zone.

Safety and access

- Traffic officials and construction teams will manage the area to ensure the safety of road users and workers.
- Access to all homes and businesses will remain open throughout the construction period.
- Motorists should plan ahead and allow for extra travel time.
