

# CONSTRUCTION NOTICE

## TRAFFIC LANE SWITCH

### AZ BERMAN DRIVE, MITCHELLS PLAIN

The City of Cape Town is continuing with transport infrastructure upgrades along AZ Berman Drive. A traffic switch will take place on the carriageway between BP and the Mitchells Plain Police Station.

These changes are planned for 26 June 2026 but may be affected by weather or other unforeseen delays.

#### Traffic Lane Switch

- A traffic lane switch will take place along AZ Berman Drive, between BP and the Mitchells Plain Police Station.
- Traffic will move from the current northbound lane (towards Cape Town) to the newly completed southbound lane (towards Mitchells Plain).
- Vehicles will travel in both directions using two lanes in each direction
- Cones and road markings will separate the lanes and guide drivers through the work zone.

All homes, businesses and public facilities with legally approved access will remain accessible throughout the construction period.

All motorists are advised to plan ahead and allow for extra travel time.
