

CONSTRUCTION NOTICE

TEMPORARY ROAD CLOSURE

HEINZ ROAD, HANOVER PARK

The City of Cape Town is continuing with transport infrastructure upgrades along Heinz Road in Hanover Park. To accommodate construction activities, a temporary lane closure will be in effect on Heinz Road from **19 - 30 October 2026**.

What road users can expect:

- The **southbound lane on Heinz Road** (towards Govan Mbeki Road) will be closed. Access to Jumbo Ottery will remain available; however, motorists will not be able to access the Heinz Road/Govan Mbeki Road intersection from the southbound lane.
- Advance warning signage will be installed along Heinz Road and Lonedown Road to alert road users to the closure and guide them along alternative routes.
- The northbound lane on Heinz Road (towards Jakes Gerwel Drive) will remain open and accessible to traffic.
- Additional security personnel and law enforcement officers will be deployed throughout the closure period to assist with traffic management and help ensure the safety of all road users.

The City encourages all road users to proceed with caution, adhere to temporary road signs and reduced speed limits, and allow additional travel time where necessary.
