

PUBLIC INFORMATION SESSION

CONSTRUCTION UPDATE

GUGULETHU

The City of Cape Town is moving ahead with upgrades to transport infrastructure along Govan Mbeki Road, between NY72 and Ottery Road. As part of the City's ongoing engagement with the community, residents, businesses and road users are invited to attend an information day for the latest updates on progress, future work and how to stay connected.

Join the online session to find out more about:

- Construction progress and upcoming work
- How to register for subcontracting opportunities
- How to register on the City's Jobseeker Database
- Jobseekers must bring a valid ID or certified copy, as well as proof of address (such as a utility bill)

What to expect:

- Maps will be on display showing construction activities in your area
- Project team members will be available to engage directly with residents
- This will not involve a formal presentation, so you are welcome to arrive at any time during the scheduled time

Date: Wednesday 2 September 2026

Time: 15:00 – 17:00

Venue: Endlovini Community Hall, corner of J Nontulo and Kroomhof streets, New Crossroads

Date: Thursday 3 September 2026

Time: 15:00 – 17:00

Venue: The Downs Community Hall, Usk Rd, Manenberg

Scan the QR code to follow “MyCiTi Construction Updates” on WhatsApp for project updates and more information. Alternatively, visit www.myciti.org.za/phase2a or follow MyCiTi Phase 2 on Facebook and X.
