

PUBLIC INFORMATION DAY

CONSTRUCTION UPDATE

PHILIPPI

The City of Cape Town is moving forward with transport infrastructure upgrades along Govan Mbeki Road, from NY72 Road to the Klipfontein Road intersection.

To ease the impact on road users, most work is carried out outside of peak hours. If longer hours are needed, residents will be informed in advance.

Please plan for possible short delays, allow extra travel time, and consider using public transport, ride-sharing or lift clubs where possible.

Join a public information day to find out more about:

- An update on progress and timelines
- How to register for subcontracting opportunities
- How to register on the City's Jobseeker Database
- Jobseekers must bring a valid ID or certified copy, as well as proof of address (such as a utility bill)
