BUS STOP REPLACEMENTS

BIG BAY, MELKBOSSTRAND, SUNNINGDALE

The City of Cape Town is upgrading bus stop infrastructure in Big Bay, Melkbosstrand and Sunningdale as part of the MyCiTi service expansion. Work is scheduled to begin in November 2025 but may be affected by weather or other unforeseen delays.

Construction involves replacing or removing existing temporary stops with permanent infrastructure.

Stops affected

- Berkshire West (eastbound)
- La Paloma (northbound)
- Melkbosch Village
- La Paloma (southbound)

What to expect

- Construction will take place during the day on weekdays.
- Temporary lane closures and localised delays may occur near bus stops while work is under way.
- Access to all homes and businesses will remain open.
- Traffic signage and safety officials will guide residents and motorists through the affected areas.

We apologise for any inconvenience and thank you for your patience while we bring improved transport infrastructure to your community.
