1 GETTING YOUR CARD

MyCiTi uses a card-based payment system. Every passenger needs their own **myconnect** card except children who are under the age of four and less than one metre tall.

Get your **myconnect** card for only R35 from MyCiTi station kiosks and participating retailers (see www.myciti.org.za or call **0800 65 64 63** for more information).

TIP

Your card is a bank card so you'll need to choose a PIN you can remember. Also remember to keep your card receipt safe in case something happens to it.

2 LOADING VALUE

Once you get your card you'll need to load points with a Mover package to pay for your fares, which are based on the distance you travel.

If you travel regularly over long distances you may save with a Monthly Pass for R790 while occasional users and visitors can also enjoy unlimited travel on as many routes as they wish for 1, 3 or 7 days from only R70.

TIP

Mover users save even more when you start your journey outside the weekday peak fare periods of 06:45 – 08:00 and 16:15 – 17:30.

4 TAPPING IN, TAPPING OUT

To use MyCiTi, you need to tap in and tap out to pay your fares and avoid penalties.

When you enter a station or board a bus at a stop, tap in by holding your card against the validator. When you leave a station or exit a bus at a stop, tap out by doing the same. If you don't tap in and tap out correctly, a penalty will be charged to your card.

TIP

If you transfer from one bus to another at a station you don't have to tap out, only tap out when you reach your destination.

5 TOPPING UP YOUR CARD

Ensure you always have value on your card by topping up at a station kiosk, participating retailer or cash-accepting Absa ATM.

You can check your balance at kiosks and info terminals at stations, and on the validator whenever you tap in and tap out.

TIP

The validator will shine **green** if there's enough value, **yellow** if you're running low and **red** if there is insufficient value to travel.
