USING MYCONNECT

MyCiTi is a card-based system. Every passenger needs their own **myconnect** card loaded with money to travel, except for children under four years old and less than one metre tall, who travel free.

GET YOUR CARD

Get your **myconnect** card for R25 from MyCiTi station kiosks or participating retailers (see www.myciti.org.za).

Your card comes with a 4-digit PIN number, which you can change. You will need your PIN number each time you top up your card.

You will be given a receipt for your **myconnect** card. If you stop using MyCiTi, you can take your card and receipt to a MyCiTi station kiosk for a refund.

TOP UP YOUR CARD

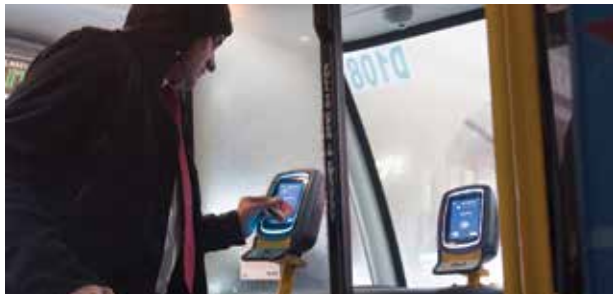

Load money at MyCiTi stations, participating retailers and selected cash-accepting Absa ATMs, or save 20% or more on your fares when you load points (Mover packages) at MyCiTi stations. There is no load fee for MyCiTi Mover packages.

USING YOUR CARD

Tap in by holding your card against the validator each time you enter a station or board at a bus stop, and tap out by doing the same each time you leave a station or exit at a bus stop.

Using your card at bus stops

- If you begin your journey at a bus stop, tap in against the 'in' validator as you board the bus.
- If you end your journey at a bus stop, tap out against the 'out' validator as you leave the bus.

Tap on the 'in' validator to begin your journey at a stop, and tap on the 'out' validator to end your journey at a stop.

Using your card at stations

- If you begin or end your journey at a station, tap against the validator at the access gates, and not on the bus.

Myconnect balance, statements and PIN changes

You can check your balance, obtain a statement of recent transactions or change your **myconnect** PIN at MyCiTi station kiosks and any Absa ATM. You need your **myconnect** PIN number to access these services.

PENALTIES

Because your fare is calculated from where you tap in to where you tap out, you will be charged a R24 penalty fare (or R76 if your journey includes the Airport) in the following instances:

- If you fail to tap in and tap out correctly.
- If you tap on the 'out' validator when you board at a bus stop, or you tap on the 'in' validator when you exit at a bus stop. Correct this immediately by tapping on the correct validator, or you will be charged a further penalty fare the next time you use the system.

If you do not have enough money on your card for your entire journey, you may be charged a penalty fare the next time you use your card.

Fare evaders will be charged up to R230 and may be prosecuted.

To begin or end your journey at a station, tap against the access gates.

ABOUT THE FARE SYSTEM

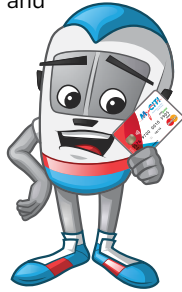

Fares are based on the distance in kilometres travelled, grouped into distance bands, as well as when you start your journey.

Each fare is calculated from where you tap in when first entering a station or boarding at a stop, to where you tap out when leaving a station or exiting at a stop at the end of your journey.

A boarding fare is charged when you tap in at the start of your journey. When you tap out at the end of your journey, the system calculates the distance travelled and deducts the remainder of the fare, if any.

PAY AS FAR AS YOU GO

Journeys can include transfers and stops along the way. Exit any stop or station for up to 45 minutes before continuing or transferring, and only pay a single-trip fare, provided there is less than two hours between the first tap in and the last tap in. Return journeys excluded.

SAVE WITH MYCITI

PEAK AND SAVER FARES

Peak fares apply to journeys that start on a weekday from 06:30 - 08:30 and 16:00 - 18:00, regardless of when you end your journey. Saver fares offer cheaper travel, provided you start your journey outside these hours on a weekday, or any time on weekends and public holidays.

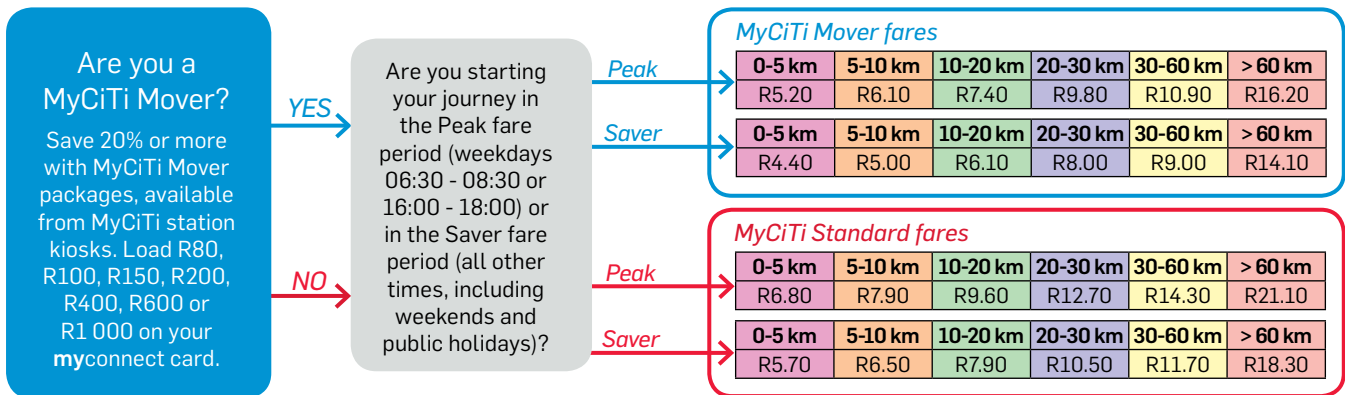

MYCITI MOVER PACKAGES

Load points with a MyCiTi Mover package (R80, R100, R150, R200, R400, R600 or R1 000) on your myconnect card and save 20% or more on travel. There are no load fees, so when you load an R80 Mover package you will receive 80 points to travel with MyCiTi. Points will be automatically deducted when you tap in and tap out, with 5.2 points charged for a R5.20 trip, for example. Points are valid for three years. Mover packages are available at MyCiTi stations.

Save at least 20%

HOW TO CALCULATE YOUR FARE

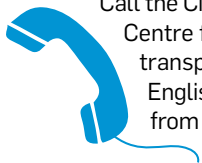

The information below shows how each fare is calculated. For specific journey fares, call 0800 65 64 63 or visit www.myciti.org.za.

For journeys linking with the Airport, add R51.90 (Standard) or R35.70 (Mover).

NEED HELP?

Call 0800 65 64 63

Call the City of Cape Town's Transport Information Centre for information about MyCiTi and other transport services. Help is available 24/7 in English, Afrikaans and isiXhosa and is toll-free from a landline.

Visit www.myciti.org.za

Visit the MyCiTi website to plan your travel, find out more about the service or for more about MyCiTi's expansion plans. Use MyCiTi's trip planner to plan your journey from

your doorstep to your destination. Or search and download maps and timetables, find **myconnect** retailers near you, calculate your fare, or use our interactive maps to plan your journey visually.

Visit mycitibus.mobi

Designed for commuters-on-the-go, MyCiTi's mobi-site offers speedy access to timetables, special event information and service alerts from the comfort of your mobile phone. Check when your next bus is due to arrive in real-time or access timetables by route or by stop.

No internet? Dial *120*1040#

If you don't have internet access you can access the features of the MyCiTi mobi-site by dialling *120*1040# from any mobile phone (charged at 20c for every 20 second session).

AIRPORT FARES

Airport fares are based on the distance-based fare for your journey and an additional amount of either R51.90 (Standard) or R35.70 (Mover), which is charged when you tap in or tap out at the Airport station.

PLAN YOUR JOURNEY AND SAVE

You pay more if you tap in at the start of your journey during the Peak fare period (weekdays only, 06:30 - 08:30 and 16:00 - 18:00), while you save around 17% by starting your journey outside these hours, including all day on weekends and public holidays. Peak and Saver fares depend on when you start your journey, regardless of when you end it.

For example, if you tap in on a weekday at 06:20 and reach your destination at 07:30, Saver fares apply. If you tap in at 06:35 and you reach your destination at 07:30, Peak fares apply.
